PBC Summer Meals Program

Pilgrim Baptist is partnering with Durham Public Schools for a second year of feeding the children. What a blessing to the neighborhood and an opportunity to minister to our community. No child has to be hungry this summer. Starting **Monday, July 11th at 12:00 pm** local youth can stop by our fellowship hall and get a free healthy meal. Not only will we provide physical nourishment for their growing bodies, but spiritual nourishment for them as well. Our program, "Growing Kids God's Way" offers food, fellowship, games, crafts, and lessons on godly principles for godly living. Program hours are **Monday thru Thursday from 12:00pm- 1:30pm**. See Prophetess Smith for details and to volunteer.

Spread the word!

Logo Contest

Calling all artists and creative minds! We need those right brains of yours to get to work and help design a logo for our youth ministry. What can we use to represent **HERITAGE?** We need something that pops and captures the mission and vision of our youth ministry. Whatever we select will be used on our T-shirts and featured in our newsletter. Turn your ideas into Rev. Banks by July 30th.

Youth Fellowship Trip

It is that time of year again! PBCD youth are headed to **Wet n' Wild** for some fun in the sun. This is a church youth trip, so priority seating on the van will be given to our consistently active youth. Others are welcome to get in on the discount pricing but must provide their own transportation. The cost is \$30. Payments may be made to Rev. Banks or Sis. Renee. We are currently accepting installments. *Register for the trip on Signup Genius.*

We Splished We Splashed

Our Hello Summer Splash Party was a hit. We had good food and good fun. The young people enjoyed the slides from Inflate-a-Party and the older folks enjoyed the food and the fellowship. Shoutout to all those members who helped make the cookout a success. Thank you for your food contributions, serving, setup, cleanup, and watchful eyes. You are greatly appreciated.

Shepherd's Corner Stay the Course

When we look around the world today it can seem pretty dark. It looks like endtime prophecy is playing out right before our eyes. Some are fearful and some are hopeless. How should the Christian respond? Do we retreat to a corner because we think prophecy is being fulfilled or do we continue to trust and apply God's Word to our lives? I will go with the latter. God's grace is active and sufficient even in the midst of the fulfillment of prophecy. He is all-powerful and remains in control.

Don't stop putting the Word of God into practice. All of His Word is true, not just the prophecies. The Christian must stay in the fight for righteousness and stay the course. We do not throw up our hands and just wait for the end. We do not give Satan any more ground. Instead, we hold ours and take the fight to him. Don't back up! Don't back down. Souls still need to be saved and salvation is available to all who believe. In John 16:33 Jesus said, *"These things I have spoken unto you, that ye might have peace. In the world ye shall have tribulation, but be of good cheer, I have overcome the world."*

Grace & Peace!

In Vacation Bible School our youth were encouraged to trust in the Lord and not to lean to their own understanding. They also learned that prayer works; to hope in God; to work hard at whatever they put their hands to; and that a reward awaits the righteous. A big shout of thanks to our Sunday School Superintendent, Deacon Tony Quick and Deaconess Quick for their effort in making VBS a success.
